

2nd December 2019

General Election - Thursday 12th December

Day out at Pitton Primary School!!

The school have kindly agreed to let us use their hall and reception classroom for the day. If you would prefer to swop your booking to another day in the week please talk to Carrie.

Christmas Tree Festival - St Thomas' Church, Salisbury

We have submitted an entry to the Christmas Tree Festival entitled 'Plastic Free Tree'.

We have used this opportunity to explore the use of plastics with the children. They have made several decorations for the tree, which is in St Thomas' Church from 3rd - 8th December.

Bus Trip - Thursday 5th December

E-mail has been sent, permission forms in baskets for those children in on a Thursday.

Arrangements for Christmas

Please see separate sheet

Save the Children - Winter / Christmas Jumper Day - Fri 13th Dec

All pre-school children are invited to wear a Winter or Christmas jumper to pre-school during the week and donate £1 for Save the Children. Please **do not** go and buy a jumper - decorate one you have with anything wintery!

Emergency Closure

Please make sure your contact details are correct.

We will normally make a decision about closure by 7:45am and will contact those children who come to Pre-School early first.

In extreme weather, please ring the mobile 'phone before travelling.

Although it may be possible for us to open and for local children to attend, you should always check the road conditions for **your** journey. As a general guide, the road from Farley and the Stockbottom road from the A30 into Pitton is very icy in bad weather. It may be easier to come off the A30 at the Firsdown turning and then come along the bottom road into the village. Similarly the hill up to the village hall, White Hill, can be difficult if you don't have four wheel drive, and parking is sometimes tricky due to cars parked on the hill. If you venture out, it may be easier to park the car near to the post office and walk the last bit.

Diary Dates
