Dear Parents,

I'm sure that you, like all of us, were watching the government's announcement last night. Whilst there has been some easing of measures this week, and there is a possible route map to get some year groups back into school, there was no mention of Early Years. More clarification is expected later this week, and we'll keep you up to date as we have more information.

So for the moment nothing has changed!

- Pre-school is open a few days a week for key worker children
- Activities will be sent out via email. We love getting your replies and seeing what you've been up to :) Thank you
- Book bags will be available. If you'd like to return or swap yours over please let us know, and
- Jill is offering a yoga session, via zoom, for those age 4 and over (including all those who will go to school this September) as part of a wider village initiative.

Remember we are at the end of the phone or email if you'd like to contact us for support, advice or a chat!

In addition;

- the Health Visiting team is continuing to operate as normal
- the Children's centres are still open for advice and support
- information and contact numbers attached regarding domestic abuse

Stay safe, with very best wishes,

Carrie, Emma, Laura, Danni, Wendy & team
